**CITILINK UNDERGOES MANAGEMENT CHANGE**

**Tangerang, 18 February 2022** – Citilink changed the composition of the company's management on Thursday, 17 February 2022 based on Shareholders Resolution in lieu of General Meeting Shareholders. The change in management was also in line with Citilink's focus on performance as part of the Garuda Indonesia Group to be more adaptive and competitive in responding to the challengers and business performance in the new normal era.

Through change in the management, the composition of the Board of Commissioners and Board of Directors of PT Citilink Indonesia as of 17 February 2022 are as follows:

**Board of Commissioners**

1. President Commissioners: Prasetio
2. Commissioners: Hasan M. Soedjono
3. Commissioners: Adita Irawati
4. Commissioners: Bambang Gutomo

**Board of Directors**

1. President & CEO: Dewa Kadek Rai
2. Chief Commercial and Cargo Officer: Ichwan F. Agus
3. Chief Operations Officer: Erlangga Sakti
4. Chief Human Capital Officer: Arief Adhi Sanjaya

The Shareholders Resolution in lieu of General Meeting Shareholders also approved the board of commissioners to appoint one of the other directors to carry out their duties and functions as a temporary official (Pjs) Chief Financial and Risk Management Officer temporarily with the same power and authority, until a definitive official for the vacant position is determined by shareholder.

President Commissioner of Citilink, Prasetio, said that the change in the composition of the company's management was a strategic step, especially in making Citilink a more innovative airline amidst the challenges of the pandemic.

"We express our appreciation to the board of directors and commissioners who have completed their tenure, as well as the best contribution that has been given to Citilink so that it can continue to grow," Prasetio said.

"We hope that with the dynamics of the aviation industry ecosystem that continues to move dynamically, the company's steps to continue to move adaptively, one of which is by changing the management in the board of directors and the board of commissioners, will be an important step for Citilink to accelerate in responding to business performance challenges," he added.

“This change in the composition of the board of directors and the board of commissioners is expected to have a positive impact on Citilink's performance, so that it can continue to drive significant growth. And, it can further optimize the opportunities for the aviation industry, especially the low-cost carrier aviation market, which will be more competitive in Indonesia in the future”.
